Counsel for the United States and counsel for Defendant Rowland Marcus Andrade stipulate and jointly request that the deadline to file admitted exhibits under Criminal Local Rule 55-1, incorporating the requirements of Civil Local Rules 5-1(g) and 79-4(a), be extended by approximately one month to May 30, 2025.

Under Criminal Local Rule 55-1, the procedures in Civil Local Rules 5-1 and 79-4 govern the disposition of admitted exhibits after trial. Civil Local Rule 5-1(g) requires the parties to file admitted exhibits on the docket within ten (10) days of the trial verdict. The parties must file a joint certification

1 of counsel with the admitted exhibits. The verdict was returned in this case on March 12, 2025, and the
2 Court extended the deadline to file trial exhibits by an additional 30 days, to April 21, 2025.

3 The parties request the extension to facilitate their coordination of the filing after joint review of
4 the admitted exhibits. Because some of the exhibits contain personal identifiable information (“PII”) or
5 other sensitive information, the parties need time to meet and confer regarding (1) whether such exhibits
6 can be filed without redaction, (2) whether such exhibits should be redacted before filing, or (3) the
7 appropriate extent of redactions. Due to the large number of admitted exhibits, the size and complexity
8 of the exhibits, and the press of other business, the parties need additional time to address this issue.

9 IT IS SO STIPULATED.
